Handbook of environmental data on organic chemicals

Author(s) : [Verschuere, K.](#)

Editors : [Verschuere, K.](#)

Book : [Handbook of environmental data on organic chemicals: Vol.1](#) 2001 No.1 pp. ref.many

Abstract : Since the publication of the first edition of this handbook in 1977, information has become available about the presence and fate of new and old organic chemicals in the environment. These data, when given a wide distribution, doubt reduce the misuse of dangerous chemicals and hence their impact on the environment. This handbook, which is divided into 4 parts (arrangement of

arrangement of chemicals, order of elements and explanatory elements) has been updated for the third time and covers individual substances as well as mixture preparations.

ISBN : [0471374903](#)
