Tolkien's *Sigurd & Gudrún*: Summary Analogs

[Pierre H. Berube](#), *Independent Scholar*

Abstract

A thorough, analytical guide to *The Legend of Sigurd and Gudrún* provides sources for each incident in his poem and finding analogs in the mainly of charts, which are an excellent guide through this tangled and unfamiliar and highly allusive poetic style, and will provide a new scholarship on this long-unseen work. Includes a family tree of names in the poem.
