Title: Riding the Waves of Change

Author: Morgan, Gareth

Abstract: In developing managerial competencies it's not enough to "look in the rear view mirror" project past trends, and just do what's worked in the past. It's crucial to look ahead, and position for the future. In today's world competence rests in our attitudes, values and mindsets, not just in technical skills. Riding the Waves of Change, first published in 1999, resonates today. New preface 2009.
