Abstract : This monograph will examine the armed forces of the DPRK, both conventional and unconventional. The official North Korean name of all branches of North Korea's armed

forces is the Chosen Inking or KPA. This monograph will address the following topics: the political context of the military in the DPRK; the origins and evolution of the armed forces; and the KPA's command and control structure and its WMD and conventional components, including doctrines. Pyongyang's capabilities and intentions also will be assessed.
