It is Christmas Eve and Clara is given a present by her Uncle Drosselmeyer in fact! Worried about her new beloved friend after foolish Fritz breaks the jaw, Clara falls into a deep slumber under the Christmas tree and experiences a magical adventure. An enchanting rendition of a classic Christmas tale based on Balanchine ballet, Jay's storytelling and illustrations are a delightful combination. The story of Clara and the Nutcracker is given with accuracy and whimsy, covering the important aspects of the story, but also capturing the whimsical and dreamlike aspects of Clara's adventure. The illustrations are warm and captivating, making this a perfect cozy-night-by-the-fire Christmas read. **Highly Recommended.** *Alison Bacon, Centennial Library Intern, Cedarville University*
