## Exploring the Urban Community: A GIS Approach

[Richard P. Greene, North](#)

[James B. Pick, University](#)

**Department/School**

School of Business

### Summary

Authored by accomplished authors, *Community: A GIS Approach* presents the latest GIS methodology and expands upon this timely, state-of-the-art text with Earth™ activities, which do not require a school lab. New exercises and case studies from the industry-dominant software are included around the world, including a new chapter on *Community: A GIS Approach* approach to the study of urban communities.
