### [The Thai village economy in the past.](#)

Author(s) : [Nartsupha, C.](#)

Author Affiliation : Chulalongkorn University, Bangkok, Thailand.

Book : [The Thai village economy in the past.](#) 1999 pp.viii + 131 pp.

Abstract : The history of the Thai village from the perspective of the village economy. Arguing that the Thai rural economy was a subsistence economy and remained longer than is commonly thought, the village existed before capitalism and the modern state. It has its own culture which owes little to urban influence and adapted to a subsistence economy subordinated it to local beliefs. Five chapters cover: from the primordial village to the village under the Sakdina system; the subsistence village economy under the Sakdina system, 1455-1855; from the subsistence village economy to the cash economy in the central region, 1855-1932; the persistence of the village economy in the central region, 1855-1932; the persistence of the village economy in the central region, 1855-1932; the persistence of the village economy in the central region, 1855-1932.

North, South, and Isan, 1855- 1932; and conclusion.
