Pallister, John Gordon and Isaacs, Alan, eds. 2002. *A dictionary of business. 3rd ed.* Oxford Paperback Reference, Oxford: Oxford University Press.

Full text not available from this repository.

Abstract

The third edition of the Dictionary of Business is a wide-ranging and informative guide to all areas of modern business. Completely revised and updated, with over 6,500 entries covering terms from marketing to taxation and accounting, business strategy to international finance, human resources management to banking, this dictionary will prove indispensable to both students and professionals. It also covers US business terms as well as business and financial jargon. Written by a specialized team of contributors, this dictionary is authoritative yet written in a clear and accessible style. Over 500 new entries have been added for this new edition, including extensive additions to terms relating to ecommerce.
