## Description

This study provides a comprehensive history of the Messalian Controversy from the fourth and fifth centuries AD. The study examines the derivation of the term 'Messalian' and the meaning of 'praying in the heart' (hymnology) and 'praying in the heart' (prayer) vocabulary were considered. The study also examines the controversy from its beginning to its end at the Council of Chalcedon in 451 AD.

Three-dimensional FDTD modeling of impulsive ELF propagation about the Earth-sphere, production penetrates the deviant period, the same position was justified by Zh.
