Nationalism, Democracy and Development: State and Politics in India

Edited by *Sugata Bose* and *Ayesha Jalal*

in [OUP Catalogue](#) from [Oxford University Press](#)

Abstract: This book examines issues of history and political economy relevant to nationalism, democracy and development. The contributors argue that persisting material deprivation - the lack of substantive democracy and development - is a crucial problem, and that it is not addressed by cultural critiques so much in vogue.

Date: 1999
