

Locke: His Philosophical Thought

Nicholas Jolley

Oxford University Press (1999)

Authors

Nicholas Jolley

University of California, Irvine

Abstract

This book is a general introduction to the philosophy of John Locke, one of the most influential thinkers in modern times. Nicholas Jolley aims to show the fundamental unity of Locke's thought in his masterpiece, the *Essay Concerning Human Understanding*. In this work Locke advances a coherent theory of knowledge; as against Descartes he argues that knowledge is possible to the extent that it concerns essences which are constructions of the human mind.
