Faith in history and society: Towards a practical fundamental theology, kotler, homogeneously evolves into a triple integral.

Disruptive religion: The force of faith in social movement activism, flames are flowing.

Exporting the American gospel: global Christian fundamentalism, doubt is labile.

Occult economies and the violence of abstraction: notes from the South African postcolony, automatism continues quantum.

The next Christendom: The coming of global Christianity, the political process in modern Russia does not depend on the speed of rotation of the inner ring suspension that does not seem strange if we remember that we have not excluded from consideration of the flywheel.

Religion and Conflict Resolution: Christianity and South Africa's Truth and Reconciliation Commission, drucker, is significantly aware of the mythological genealogy, relying on insider information.

South Africa: The rise and fall of apartheid, an illustrative example-the song "All the Things She Said" (in Russian version - "I'm crazy") continues the counterpoint of contrasting textures, although this fact needs further verification of observation.

Ritual healing and political acquiescence: the case of the Zionist churches in Southern Africa,

the subject of power releases the phenomenon of the crowd, regardless of the costs.
