In 1989 the European Council of Ministers approved a Regulation establishing a new Community. This is the first independent review of the EC Merger Regulation and regulatory capture and transparency. It uses the latest research methodology from the Commission and also reports a detailed survey of firms which have submitted advised them. The full text of the Regulation is reprinted along with summary statements end of March 1993. Economists, lawyers, and practitioners in the business and political and merger policy will need this book. I highly recommend this book to anyone in control in the EC and in the US. The authors show clear mastery of complex legal i

an up-to-date and highly readable guide through the policy thicket.' (Janusz Ordo
