**Date:** 1990

## Abstract:

Seduction is Jean Baudrillard's most provocative book. Here, under the sign of seduction, all modern put into question. Seduction speaks of the sudden reversibility in the order of things where discourse is into its own signs without a trace of meaning. In the sudden triumph of seduction in apocalyptic culture also signaled the end of history. As Baudrillard says, "Nothing can be greater than seduction itself, no order that destroys it."
