## Punk woven from cotton candy. Patti Smith, Poland and poetic prose

Joanna Ro□

### Abstract

Patti Smith's poetic prose *Woolgathering* (1992) was published in Poland in 2014, more than twenty years after its publication in the United States. The author of the essay, following the reception of this book among Polish readers, wants to shed light on the presence of Patti Smith as a writer, not just a singer, in Polish culture. She shows the important components, building the literary works of the American artist that have never been sufficiently recognized by Polish audience.
