The Royal Air Force, Combined Operations Doctrine and the Raid on Dieppe 1942

Mahoney, Ross Wayne (2009)
M.Phil. thesis, University of Birmingham.

Abstract

This thesis seeks to examine the use of a Operation JUBILEE. In recent revisionist of the Royal Air Force has come in for cri this thesis seeks to examine why the RAF in the manner that it did. It examines bo and operational context of the forces inv and in doing so examines their effective contends that Combined Operations do the key role for air power was to maintai order to protect assaulting force. It then alongside the development of the offens Fighter Command in the battle for air su period 1940-1942. In understanding, the doctrine and operations this thesis chall perceived failure of the RAF during the in seeking to battle the Luftwaffe in the n during JUBILEE it provided the most app protection that it could for the assault fo then examines the impact that JUBILEE l Command strategy and various aspects Operations development in 1943 thesis i its effectiveness. This thesis argues that v not be a direct link to Operation OVERLC operations at Dieppe had an impact dur needs to be considered as one line of de parallel with those from other theatres o
