### Abstract

Résumés:

Nous nous proposons d'analyser le premier discours de Lysias en utilisant les éléments typiques des contes d'adultère. Nous découvrirons ainsi une certaine ironie insoupçonnée dans le récit d'Euphiletus et nous examinerons les structures profondes à la base de ce texte apparemment simple. Nous nous pencherons ensuite sur le problème de l'historicité du discours et verrons que Lysias 1 pourrait n'être qu'un exercice de rhétorique dont le but était de mettre en valeur les talents du logographe et de distraire son public.
