Series Title:

[Gale virtual reference library.](#)

Responsibility:

David S. Tanenhaus, editor in chief.

Abstract:

"Covers concepts, cases, topics, personalities, institutions, events, and processes of American law, the processes that produce its legal principles, and the history of the case law. Looks at such topics as citizenship, due process, Native Americans, racism, emphasizing the social context of each and the social and political pressures that have shaped the "law and social issues movement" that studies political and non-judicial history.
