A New Work by Apuleius: The Lost Third Book of the de Platone: Edited and Translated with an Introduction and Commentary By

[Justin A. Stover](#)

Oxford University Press (2015)

Abstract

A New Work by Apuleius presents what may be the first lengthy Latin text from antiquity to be published in almost a century. The volume reveals that this new work is in fact the lost third book of Apuleius' *De Platone et eius dogmate*, and provides the key to understanding Apuleius' use and interpretation of Plato.
