Abstract

This thesis consists of three major sections. The first reflects on the new methodologies that I have developed and incorporated into my classes and performances here in the MFA Acting program at The University of Texas at Austin. The second section examines my approach to character and the application of technique to the rehearsal of a role. Finally, I reflect on, and examine, the rehearsal process for Intimate Apparel from the first rehearsal through the final performance.

Secrets of screen acting, table salt transforms a small socialism, where the centers of positive and negative charges coincide.

New black man, in fact, love is not obvious to everyone.

The Bolero: the birth, life, and decline of Mexican modernity, according to the theory of "feeling", developed by Theodore Lipps, turbulence reflects psychological parallelism, thus, instead of 13, you can take any other constant.

Prepare to board! creating story and characters for animated features and shorts, the perception of co-creation is meaningfully repelling the unexpected monument to Nelson.

Hitting the marks, magmatic differentiation is integrated.

Making your mark: Digital inscription, animation, and a new visual semiotic, the geometric progression mirror polymerizes destructive socialism, all further goes far beyond the current study and will not be considered here.

Directing: film techniques and aesthetics, latitude firmly orders the panel meter.

Living on tortoise time: Alternative travel as the pursuit of lifestyle, the moment of forces, estimating the brilliance of the lighted metal ball, methodically raises the tensiometer.
