Nursing Rituals: Research and Rational Actions

Jane Salvage

Closer scrutiny of the effectiveness and efficiency of nursing, midwifery and health visiting is becoming increasingly necessary. In particular, nursing research is uncovering many practices which are at worst downright harmful and at best useless. Any book which challenges nurses to examine their work in the light of research findings is therefore timely and topical.

Nursing Standard. 4, 29,45-45. doi: 10.7748/ns.4.29.45.s46
