Historical Note
In 1978, Daschle was elected to the United States House of Representatives, winning the race by a margin of 110 votes, following a recount, out of more than 129,000 votes cast. Daschle served four terms in the House of Representatives and quickly became a part of the Democratic leadership.

At the 1980 Democratic National Convention Congressman Daschle received 10 (0.30%) delegate votes for Vice President of the United States. Although he was not a candidate, Daschle (along with others) received votes against incumbent Walter Mondale, who was re-nominated easily.
