Thomas A. Daschle Papers. U.S. House of Representatives Papers

[SDSU Archives and Special Collections, Hilton M. Briggs Library](#)

Identifier

DA 1

Dates

1964-1992

Extent

76 linear feet (76 records center boxes)

Abstract

This collection is composed of papers created during Tom Daschle's tenure in the U.S. House of Representatives. Material includes voting record information, "Congressional Record" which contains data on his voting record, sponsorship of legislation, committee and subcommittee records from 1979 to 1986. Also

Hilton M. Briggs Library

Office of Research Assurance &
Sponsored Programs

campaign files.

Historical Note

In 1978, Daschle was elected to the United States House of Representatives by a margin of 110 votes, following a recount, out of more than 1 million votes. Daschle served four terms in the House of Representatives and was a member of the Democratic leadership.

At the 1980 Democratic National Convention Congressman Daschle was elected as a delegate votes for Vice President of the United States. Although Daschle (along with others) received votes against incumbent Vice President Jimmy Carter, he was not re-nominated easily.

Content Notes

The U.S. House of Representatives papers series on the Tom Daschle Career Papers is composed of some campaign files and voting records. One series included is "The Daschle Record" which contains 12 books containing Daschle's voting record, sponsorships, and summary records of subcommittee records from 1979 to 1986.

Rights

Copyright restrictions apply in different ways to different materials. Some documents and other historical materials in the Archives are in the public domain and may be reproduced and used in any way. There are other materials that carry a copyright interest and must be used according to the terms of the U.S. Code. The Archive issues a warning concerning copyright to the researcher who requests copies of documents. Although the copyright law is in constant redefinition in the courts, it is ultimately the responsibility of the user to properly use copyrighted material.
