Abstract

Book Description

This overview of the Sandinista revolution in Nicaragua offers of the domestic and foreign challenges that faced the Sandinista ten years in power. Based on extensive research in Nicaragua, essays examine important aspects of both the revolution and the counter-revolution that brought it to an end. After an introductory background of the revolutionary period, contributors offer a series of essays and institutions within the revolution, such as women, the Church, and provide an assessment of Sandinista public policy and performance in areas such as agrarian reform, health care, education and housing. The impact of the counter-insurgency Contra war, financed by the United States, and the efforts made over the years to promote a negotiated peace.
