Title: Rings: five passions in world art
Authors: BROWN, J. Carter; MONTAGU, Jennifer; SHAPIRO, Michael E.
Editor: SHAPIRO, Michael E.
Conference: exposition; Atlanta (GA, USA), High Museum
Publication year: 1996
Language: English
Abstract: Catalogue for an exhibition of 129 examples of Western and Eastern art, ancient through modern, selected to represent five universal passions: love, anguish, awe, triumph and joy. There is an introduction by J. Carter Brown; and an essay by Jennifer Montagu, 'Traditions of expression in art.' Each of the five sections commences with an essay, and there is a brief text and color plate for each work.
