Ben Forta is an author and Senior Technical Evangelist for Adobe Systems, particularly on ColdFusion, owner of EmTek Systems. He previously worked in a similar capacity for Macromedia and Allaire, previous owners of ColdFusion. In addition to writing numerous technical books on ColdFusion, Expressions, Forta co-authored Adobe's official ColdFusion training materials and certification application development around the world. Many of his books have been translated into over a dozen worldwide. Before working for Allaire, he founded the website Car.com, which was later purchased by Auto-By-Tel.
