### Abstract

The purpose of this paper is to examine, through the design of the integration of reading and writing literacy into a visual arts strengthen literacy skills as well as foster creative thinking at the There is a growing demand for the integration of literacy in all

curricula. By developing a curriculum that integrates literacy s  
program, as well as touches on the disconnect that I see betwe  
own creative outlets, a curriculum is established that fosters a  
creative thinking, literacy, and the visual arts.
