## An introduction to medical mycology.

Author(s) : [LEWIS, G. M.](#); [HOPPER, MARY E.](#)

Book : [An introduction to medical mycology.](#) 1943 pp.viii-342 pp.

Abstract : Notwithstanding war-time difficulties, it was felt that the new data since the publication of the first edition of this book in 1939 warranted the issue of a second, and in this connexion attention is drawn to the importance of fungicide as a disabling factor among the armed forces. Part I is concerned with the clinical and experimental aspects of the subject, and Part II with laboratory methods.

Record Number : 19521300419

Publisher : [Chicago. The Year Book Publishers. Inc., 1943.](#)

Language of text : [not specified](#)
