Career paths and career success in the early career stages of male and female MBAs

Cox, Taylor H.; Harquail, Celia V.

1991-08

Citation: Cox, Taylor H., Harquail, Celia V. (1991/08). "Career paths and career success in the early career stages of male and female MBAs." *Journal of Business Behavior* 39(1): 54-75. <<http://hdl.handle.net/2027.42/29182>>

Abstract: This study tests hypotheses about the relations between career paths, and career success in a sample of MBAs. Findings indicate that managerial careers did not differ from men on total promotions and satisfaction but did experience lower satisfaction... [more]
