HONORS COLLEGE T

The History and Development of British Tramways and the Impacts That It Had

[Noam Schuldenrein](#), *Honors College, Pace University*

Original document was submitted as an honors thesis requirement. Copyright is held by the author.

Document Type

Thesis

Abstract

The thesis is about the general history of the British tramways and how they developed throughout England in the nineteenth century. It includes their general development; how it affected England economically; how it affected England demographically; and how it affected the surrounding neighborhoods in England.
