The Harper Encyclopedia of Military Biography. By Trevor N. Dupuy, Curt Johnson, and David L. Bongard. New York: HarperCollins, 1992. 834p. \$65 U.S.; \$88 Canada (ISBN 0-06-2700154). LC 89-46526. This new military history book covers a period from the ancient days to the present--longer than John Keegan's *Who's Who in Military History: From 1453 to the Present Day* (Morrow, 1976). Although it is international in scope, Americans dominate this book; General Norman Schwarzkopf is mentioned but not Saddam Hussein (who should have been included, even if he is not a great strategist). As might be expected, people from the twentieth century are numerous, since there is more information about them available. Approximately three thousand people...
