Youth and students

The Office of the Commissioner of Official Languages of Canada has developed a variety of tools and resources for Canadian youth and students. These tools can be used in various subject areas, such as learning French or English as a first or second language, social studies and history.

The Office of the Commissioner of Official Languages of Canada is dedicated to providing you with all the information you need on official languages.

Official Languages in Canada: 150 Years of History

Browse through our [timeline](#) to discover—or rediscover—the milestones that have marked the history of linguistic duality in Canada since 1867.

The *Anglais*-French show

Wondering about the benefits of bilingualism and the role of English and French in Quebec and Canada? Here is a video of Commissioner Graham Fraser's appearance on the *Anglais*-French Show, hosted by Micah and Jonathan, on LaurenHill Academy's Web radio station. It's a great tool to help students learn more about our official languages. Kudos to these two

aspiring journalists!

Exploring Canada’s official languages with posters

The Office of the Commissioner of Official Languages of Canada has developed fun, educational tools to help increase awareness of Canada’s official languages (English and French). Our posters are the perfect complement to any learning environment and offer subtle access to names of professionals and marine animals in both English and French.

Free “Bilingualism at Work” poster, featuring both of Canada’s official languages

The Office of the Commissioner of Official Languages of Canada has developed a fun poster called “Bilingualism at Work.” The poster is 47 cm x 74 cm, a perfect size for classrooms and children’s play areas or bedrooms. The poster illustrates a vibrant community setting with 15 great professions and their titles in English and French, to help learn the names in both of Canada’s official languages. The [“Bilingualism at Work” poster](#) is free, including shipping costs.

Free “Marine Life” poster, featuring both of Canada’s official languages

The Office of the Commissioner of Official Languages of Canada has developed a beautiful [“Marine Life” poster](#) to help you and your students, children or colleagues explore the hidden wonders of the sea. The poster features 21 sea creatures that live beneath the ocean. It is the perfect size for any learning environment: 47.5 cm x 70.5 cm. The “Marine Life” poster is free, including shipping costs.

***Beyond Words* – Canada’s official languages e-newsletter**

Beyond Words is a great on-line resource featuring a wide range of topics related to Canada's official languages and how Canadians make use of their two official languages. Subjects include arts and culture, languages of the world, current events, history and second-language learning.

Official languages in Canada – Statistics

How many people speak English in Canada? How many French-speaking Canadians are there? How many are bilingual? If you cover questions like these in class, the [statistics](#) section of our Web site is a valuable source of information. We also have data on the first official language of Canadians in the [provinces & territories](#).

One Charter, Two Languages, A Thousand and One Voices

On the occasion of the 25th anniversary of the *Canadian Charter of Rights and Freedoms*, the Office of the Commissioner of Official Languages developed a [teaching guide](#) **archived** for secondary teachers along with a [video](#) **archived** where young adults share their thoughts on linguistic duality.
