Abstract and Keywords

This article discusses the history of witchcraft prosecutions in Denmark, Sweden, and Finland, all of which were involved in the period. Prosecutions in the entire region reached a peak both in earlier and later periods. There are no exact figures for witchcraft in one form or another, but almost 1,200 deaths are recorded.

Keywords: [witchcraft trials](#), [witchcraft prosecutions](#), [Iceland](#), [Norway](#)

Rune Blix Hagen

Rune Blix Hagen, is an Associate Professor of History in the Department of Humanities, Social Sciences and Education, at the University of Tromsø. His research focuses on early modern mentalities, historiography, and the discovery and execution of witches in Arctic Norway, 1590–1695.
