## Interview with Eric Jensen: Enriching Mindsets for Teachers of Students in Poverty

**Dan W. Rea**, *Georgia Southern University*

### Abstract

In this interview, Eric Jensen, an internationally recognized speaker on student poverty and brain-based learning, discusses how the author can use practical strategies from his latest two books, *Poor Students, Richer Teaching* (2016) and *Poor Students, Richer Teaching: Mindsets for Enriching the Learning of Students in Poverty* to enrich the learning of students in poverty. Some of the new methods to enrich classroom relationships, student achievement, student engagement, and climate for student success.
