# Concepts in American Local History: Winder, Idaho

---

[Lorine S. Goodwin](#), *Brigham Young University - Provo*

---

## Abstract

Recently the need for a more clearly defined structural basis for local history has become acute. Concepts used in national history often fall short in local history. As a result, both professionals and amateurs are producing local histories without the benefit of adequate guidelines.

This thesis draws together a number of concepts useful in the study of local history as a viable academic field of study. It tests these concepts in the history of community in Winder, a small, rural population set in
